

## How to add Glints Expert Class Certificate to LinkedIn

Here are 4 guidelines to help you add your Glints Expert Class certificate to LinkedIn:

1. Log in to your LinkedIn account, then go to your profile.
2. On the right, in the **Add profile section** dropdown, choose **Background** and then select the **+** next to Licenses & Certifications.

- ### 3. Fill up the following fields
- Name: Enter the name of your certificate
  - Issuing Organization: Add the name of the issuing organization, e.g. Glints
  - Check the field “This credential does not expire” if your certificate has no expiration date
  - Issue Date: Input the date of the day you attended the class
  - Credential URL: Copy the link of the certificate
